

# ELECTRIC HEATING FROM STIEBEL ELTRON

## A warm breeze

### **Wall mounted fan heater**

Cosy warmth without fuss produced by elegant wall mounted convector heaters from STIEBEL ELTRON. As additional or supplementary heaters, they distribute heat conveniently, evenly and almost silently in all areas. Select your preferred comfort temperature and, in next to no time, any room is transformed into your personal comfort zone.

Also with available integral time switch, they are particularly suitable for pre-heating your bathroom just in time - including the towel.

**STIEBEL ELTRON**

## CON .. S, CON .. ZS Panel heaters

Model	Code	Output (kW)	Dimensions (H x W x D in mm)
-------	------	----------------	---------------------------------

CON 10 S	071815	1	460 x 430 x 122.5
----------	--------	---	-------------------

CON 15 S	071816	1.5	460 x 585 x 122.5
----------	--------	-----	-------------------

CON 20 S	071817	2	460 x 740 x 122.5
----------	--------	---	-------------------

CON 30 S	071818	3	460 x 1080 x 122.5
----------	--------	---	--------------------

Model	Code	Output (kW)	Dimensions (H x W x D in mm)
-------	------	----------------	---------------------------------

CON 10 ZS	071819	1	460 x 430 x 122.5
-----------	--------	---	-------------------

CON 15 ZS	071820	1.5	460 x 585 x 122.5
-----------	--------	-----	-------------------

CON 20 ZS	071821	2	460 x 740 x 122.5
-----------	--------	---	-------------------

CON 30 ZS	071822	3	460 x 1080 x 122.5
-----------	--------	---	--------------------

Like CON .. S, but with the addition of a 24 h quartz time switch.

## CK 20 S, CKZ 20 S, CKR 20 S Panel heaters

Model	Code	Output (kW)	Dimensions (H x W x D in mm)
-------	------	----------------	---------------------------------

CK 20 S	07 17 93	2.0	460 x 335 x 123
---------	----------	-----	-----------------

Model	Code	Output (kW)	Dimensions (H x W x D in mm)
-------	------	----------------	---------------------------------

CKZ 20 S	07 17 95	2.0	460 x 335 x 123
----------	----------	-----	-----------------

Like CK 20 S, but with the addition of a 24 h quartz time switch.

Model	Code	Output (kW)	Dimensions (H x W x D in mm)
-------	------	----------------	---------------------------------

CKR 20 S	07 26 33	2.0	460 x 335 x 123
----------	----------	-----	-----------------

Like CK 20 S, but with two heating and fan stages

### Description

Wall mounted convector heater

### At a glance:

- Comfortable - heat is quietly and evenly distributed, without creating a draught
- Convenient - variable temperature selection and time switch (CON .. ZS)
- Energy efficient - reliable heating on demand
- Beautifully discreet - slim line wall mounted units with an attractive design
- Simple installation

### Description

Wall mounted, fan-assisted convector heater

### At a glance:

- Rapidly reaches the desired temperature - switch on, feel good
- Convenient - with variable temperature selection, time switch (CKZ), and almost silent base heating stage (CKR)
- Energy efficient - reliable heating on demand
- Space-efficient - high performance from a small package
- Simple installation
